STRUCTURAL STABILITY CERTIFICATE

This is to certify that I have inspected the building of SHANTI ASIATIC SCHOOL, F.P.NO:632/1 T.P.S:416(vastral) is designed as per GDCR with respect and consideration of IS 456, 1893 & 13920. The building is stable and safe as on today at the time of issuing this certificate if it is completely executed as per the drawings issued by us and followed by the Indian standards for execution and also followed the suggestions given by us.

We also recommend to make structural inspection of the building as per the government norms at regular intervals.
